May 2010

Tuesday, May 18th, 12:30 – 2:00 pm

Academic Roundtable and Lunch

Do you use CHDB data in the classroom? At colleges and universities around the region, Household Health Survey, Vital Statistics and Census data are incorporated into courses in public health, social work, research methods, statistics and more. Join local educators and CHDB staff for a casual conversation about the CHDB as a teaching tool. Please come share your experiences and learn from others. Lunch will be served.
