

# COMMUNITY HEALTH DATA BASE

An Information Service of the Public Health Management Corporation

## CHDB Calendar of Events: Winter/Spring 2011

### January 2011

Thursday, January 13th, 9:30 am - 11:30 am

#### **CHDB Orientation**

This casual discussion will provide an overview of the CHDB Household Health Survey and an introduction to working with CHDB data! Whether you're new to the CHDB or just need a refresher, CHDB orientations are open to any Member or Affiliate agency staff. Learn more about how the CHDB data can support your work. Refreshments will be served.

### February 2011

Thursday, February 10<sup>th</sup>, 4:30 pm - 7:00 pm

#### **2010 Household Health Survey Data Release Reception**

Please join us at a cocktail reception celebrating the release of new 2010 Southeastern Pennsylvania Household Health Survey data! New data findings will be presented.

### March 2011

Tuesday, March 15th, 9:30 am - 11:30 am

#### **CHDB Orientation**

This casual discussion will provide an overview of the CHDB Household Health Survey and an introduction to working with CHDB data! Whether you're new to the CHDB or just need a refresher, CHDB orientations are open to any Member or Affiliate agency staff. Learn more about how the CHDB data can support your work. Refreshments will be served.

### April 2011

Tuesday, April 19th, 9:30 am - 12:00 pm

#### **Asking the Right Questions: An Overview of the Survey Design Process**

Asking the right questions is the key to getting the data that you need. Come to this training to learn about the survey development process, including when to conduct a survey, what type of survey to use, how to develop good survey questions, and how to best administer the survey to meet your agency's needs.

Unless otherwise noted, all events will be held on the 18<sup>th</sup> Floor of PHMC, 260 S. Broad Street, Phila., PA 19102.

**All events are free, but space is limited!**

To register please contact: Johanna Trowbridge at 215-985-2548 or [johannat@phmc.org](mailto:johannat@phmc.org).
